**Additional Contact:** If you are unable to reach the instructor, contact the Sport & Rec Office at 414-227-3123 or email [chs-outreach@uwm.edu](mailto:chs-outreach@uwm.edu).

**Description of course objectives:** Students will learn camera assembly and maintenance as well as basic digital underwater photography techniques. In addition, they will learn about digital file formats, resolution, exposure, composition, underwater lighting, and more. Students will attend classroom sessions on digital photography theory, composition, techniques, and two photo dives.

**Pre-requisite(s):** Ability to snorkel.

**Required and Recommended Readings:** *PADI Digital Underwater Photographer Manual* (part of PADI Digital Underwater Photo Pak). The cost of this manual is included in the special course fee, and a copy of the manual will be supplied to you at your first class meeting.

**Required and Recommended Equipment/Material(s):** PADI white balance slate (included in PADI Digital Underwater Photo Pack). Mask, fins, snorkel, boots recommended but not required. A special discount is provided to UWM students who purchase prior to the first pool dive.

**Special out-of-class assignments:** Students who wish to earn the PADI Digital Underwater Photography Level 2 certification must participate in one open water dive

that is conducted over one day. The open water dive is not part of the UWM program and is not factored into the student's grade. Additional fees apply.

**Tips for successful participation in class:** Active participation in classroom sessions (PADI Digital Underwater Photographer Level I & Level II), complete (2) knowledge reviews (level I & II) and complete (2) confined water dive. There is an optional open water dive for scuba certified students (Level II).

**Grading Policies:** Grades are based upon class participation, completing 2 knowledge reviews, and successful completion of all pool dives.

Grading is based on the following:

- Class Participation = 30 points
- successful completion of (2) knowledge reviews = 30 points (15 points per knowledge review)
- Successful completion of (2) confined water dive = 40 points (20 points per Confined water dive)

**Grading Scale:**

**Schedule:**

Schedules for all UWM courses taught through Aquatic Adventures can be found at <https://diveaai.com/special-programs/uw-milwaukee/uw-milwaukee-schedule/>.

Schedules may change due to time constraints, weather, or availability of dive sites and facilities. All changes will be posted on this web page.

**Assignment Policies:**

**UWM RENTAL POLICY:** Students will be issued life support equipment for open water dives. There is no charge for using this equipment, provided the student completes all dives in one weekend. Normal rental fees will apply to any additional days needed to complete certification. All rented equipment may be used only by the student it is issued to and only for purposes of scuba training in this course. Use for any other purpose is strictly prohibited. Any student found in violation of this policy will be expelled from class and all course fees will be forfeited.

During the time of rental, students are responsible for the proper care of the rented gear as outlined in the *PADI Open Water Diver* manual. Students will be charged for any damage to equipment that is the result of negligence, including exposure to heat or cold. Students will also be charged for the return of equipment that has not been properly rinsed following open water training.

All rental equipment is due back to Aquatic Adventures, Inc. by 4:00 p.m. on the Sunday following open water training. Students who pick up equipment and then fail to show up for an open water training dive must return their gear by 4:00 p.m. on the next business day. Any student who fails to return gear at the appropriate time will be charged up to a \$75 per day late fee. No certifications or university grades will be issued to students who fail to return their gear or have outstanding balances with Aquatic Adventures, Inc. that are the result of late returns or damage due to negligence. Equipment that is not returned within 3 business days of the return date will be considered stolen and will be reported to the appropriate authorities.

**CERTIFICATION:** A certification fee is included in the course fee. This fee is non-refundable. The standard life-support equipment rental package fee is provided free of charge as a courtesy to UWM students attending open water training for one weekend. Standard rental rates will apply if the student fails to complete all open water dives during the scheduled class. Personal gear, entries fees, boat fees and any other items that are not provided in the standard Aquatic Adventures Advanced Open Water Diver course are the responsibility of all students attending open water dives.

**MISSED CERTIFICATION DIVES:** Students who fail to show up for an open water dive will need to pay an additional \$25 to reschedule for another day. This fee is non-refundable.

**MEDICAL CONDITIONS AND PRESCRIPTION DRUGS:** Students with medical conditions should consult the RSTC Medical Statement on the Aquatic Adventures website, <http://dive-aa.com/location-hours/forms/>. Students answering "YES" to any question on the form will be required to get a doctor's approval to dive before being allowed to participate in any pool activities. If you have a medical condition or are currently using prescription drugs, please print out this form and bring it to your doctor or the Norris Health Center. Your doctor or a campus doctor can certify your fitness to participate in scuba diving. Bring the completed form with you to your first class. Please note, only students with medical conditions need to be evaluated by a doctor.

**UWM POLICIES AND FEES:** All University of Wisconsin – Milwaukee students are required to familiarize themselves with the schedules, policies, and fees associated with scuba training by reading through the material provided at <http://uwm.diveaai.com>. Aquatic Adventures will not be responsible for any inconveniences or issues arising from students claiming to be unfamiliar with the material provided for their benefit on this website.

**Attendance requirements:** Any student who does not participate in classes cannot expect to satisfactorily complete course objectives and therefore should consider dropping the course.

**Guidelines for wireless and electronic devices in the classroom:** The guidelines are on the College of Health Sciences website:  
<http://uwm.edu/healthsciences/students/guidelines-for-electronic-wireless-devices-in-the-classroom/>

**Definition of a credit hour:** This is a 1 credit course. Students are expected to invest approximately 6 + hours per week in class activities. This includes class participation, lectures and outside assignments.
